**Esteemed Colleagues and Friends,**

Warm greetings,

**Asia Pacific Breast Cancer Summit (APBCS)** over the years has evolved into a premiere platform in the field of breast cancer management in the Asia-Pac region for over 12 years. Our scientific and organizing committee are relentlessly working towards bringing the best global, regional, and local experts and research to enhance the patient care, aligning to its theme, **“Reaching New Heights in Breast Cancer Care.”**

The impact of APBCS has been resounding in various APAC region, and Indonesia marks the next chapter in the journey for its 12th edition in 2024. The scientific and organizing committee of APBCS 2024 edition would like to extend a warm welcome to each one of you from **1st – 3rd March, 2024 at Nusa Dua Convention Centre in Bali, Indonesia.**

APBCS 2024 edition will feature stellar key opinion leaders from across the globe to share insights in the realm of Breast Cancer. Over 3 days, the agenda will include Surgical Oncology Session, **Oncology Nursing Session, Imaging Session, Best of SABCS review,** and in-depth discussions on **advanced findings, recent developments, molecular tumor board, challenging cases** within APBCS.

APBCS 2024 promises to be a gathering of minds dedicated to pushing the boundaries of knowledge in the field of Breast Cancer.

We cordially invite you to join us in Bali, Indonesia, for an invaluable opportunity to learn, network, and collaborate with esteemed colleagues and peers.

Best regards,
